Ham Radio Group To Begin New Season

The Wellesley Amateur Radio Society will hold its first meeting of the new season on Monday, September 13, at 7:30 p.m. in the basement of the Wellesley Hills Branch Library.

The program for the September meeting will feature an ARRL movie "Printed Circuits and Their Repair." The coming year's program will be discussed. Refreshments will be served.

Members are encouraged to bring guests. Anyone interested in Amateur radio is welcome. For further information, call Walter Lenk, Secretary of the Society, 237-9289.
